

St. Moritz, November 2022

## Your benefits as a second home owner

Dear Sirs

As a second home owner, you still have the opportunity to benefit from discounts for locals at OVAVERVA – the place to go for well-being and energising fun. The discount is also available to your immediate family (i.e. partner and children). Collect your corresponding voucher from the municipal tax department before you purchase your annual subscription.

We would also like to offer you the Allegra Pass. Load your Allegra Pass onto your chip wristband and take advantage of the following benefits at the OVAVERVA Pool, Spa & Sports Centre in St. Moritz, the Bellavita Pool & Spa in Pontresina and update Fitness St. Moritz Bad in St. Moritz:

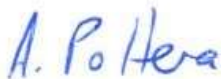

- Discounted entrance fees
- Easy and quick admission without having to queue at the desk
- Fees for admission and access to different zones are debited automatically
- Straightforward cash-free payment for anything you hire, buy, eat or drink
- An account balance valid for an unlimited period – your credit will not expire

The more credit you load onto your account, the more benefits you get! For more details, visit [www.allegrapass.ch](http://www.allegrapass.ch).

One pool and spa is open throughout the year in the Upper Engadine valley. While we are closed for refurbishment, we are offering you equivalent membership at the Bellavita Pool & Spa in Pontresina in partnership with the town authorities.

We would be delighted to welcome you as an OVAVERVA guest.

Yours faithfully

Annatina Poltera  
Leiterin Touristische Infrastruktur

Eric Wyss  
Betriebsleiter OVAVERVA
